## **MEDICATIONS**

All medications (prescription or over the counter) have important guidelines. Please read carefully.

- All medications (prescription or over the counter) must:
  - be in their original container
  - have the name of the medication on the label complete with expiration date
  - have the full pharmacy label
  - have your child's first and last name
  - show the age-appropriate directions
- No medication for fever reduction may be kept in the room
- Parent must complete a medication permission form before ANY medication will be administered. Forms are available upon request.

Please supply appropriate seasonal clothing each day for outdoor play. We will go outside most days when the weather allows. Please label all coats, hats, sweatshirts, boots, gloves, and backpacks with your child's name.

Donations of playdough, cotton balls, brown or white lunch bags & sidewalk chalk are welcomed. Thank you 😊
