August 10, 2021

Hello,

The Hampshire Township Park District and the Ella Johnson Memorial Library are excited to be planning a fun Halloween event for the community again! This year's Fall Festival A.K.A. Trunk or Treat on State State and the Coon Creek Country Days site at North State St. and Allen Rd on Sunday, October 10th beginning at 5:00pm.

This event will feature the very popular annual Trunk or Treat on State St, the Hampshire Lions Club free hot dog meals and new this year: an outdoor movie! The event will end with the showing of Disney's Hocus Pocus on the big screen at the Coon Creek Site.

We are reaching out to our community businesses to help sponsor this event to make this a free community event! Attached you will find the sponsorship form for you to review. We hope that your business can help bring this event to life!

Thank You,

Stephanie Barone

Program Supervisor
Hampshire Township Park District
