Documents found on the Park Districts website
www.HampshireParkDistrict.org or picked up at location

THEIR WORLD IS OPENING UP, SO WE BRING A WORLD OF LEARNING TO THEM!

Your two year old is a unique little person. Two year olds are full of curiosity and so eager to explore every facet of their environment. It is time when are discovering when they need to share their world with others.

This age is filled with so much wonder and curiosity. That's why we offer a ton of books and toys and bring their artwork down to kids eye level. Children in the Bears class also begin to learn the basic building blocks of how we all work together in a classroom.

Our Bears class is where your child becomes more independent with things like hand-washing and potty-training. That's why sinks, toilets, and furniture in our classrooms are all kid-size so they can build confidence knowing they can do it all by themselves.

Self-help skills such as toilet-training, dressing, feeding and washing hands are all important facets of our program.

Children must be two years old on or before September 1st, 2024 and able to transition comfortable from parents to the classroom.

The Bears class is held at 441 E. Jefferson Hampshire IL 60140. Children are learning through age-appropriate active play with social interactions with peers and teachers.

We mix early math skills—like patterning and counting—into fun daily activities involving singing, clapping, and moving around. We also build memory and focus skills by learning each other's names and putting toys away.

At this age, children really begin to understand drawing and writing as a form of expression, so we do lots of both every day. They can also ask and answer questions about stories we read.

Most of our day the children spend 20–30 minutes outside at least twice a day, weather permitting. At this age, kids are off running and exploring, using their imaginations while they do!

Daycare registration runs continually throughout the year based on availability. Preschool is offered everyday of the week. This program is an all day program that serves 2 snacks and lunch, breakfast is also optional served from 6:30-7:30 am. This is all included with your weekly tuition. We encourage the children to arrive no later than 9 am.

DAYCARE HOURS: 6:30 a.m. to 5:30 p.m.

Attendance based upon availability
