They're on the move! We have a safe (and fun!) environment for your toddler to explore.

Our Toddler program, the Froggies, cares for children 15 months to 24 months. The staff that care for your child is very carefully selected to give your child the care, stimuli, security and consistency that each individual child needs at this time and throughout their childhood.

The Primary goal of our program, as it is with all our programs, is to provide a warm, loving, home like environment.

In addition to the love and quality care your child will be receiving at Little People Playtime, your child will participate in a developmental program which includes activities such as: finger-painting, stories, large motor activities, fine motor and music just to name a few.

We are aware that cooperative planning and good communication between our staff and parents is essential in providing consistent quality care for your toddler. Your Child's teacher will record daily activities on our parent communication app, such as eating, sleeping and other developmental activities.

Froggies class is held at 441 E. Jefferson Hampshire IL 60140. Children are learning through age-appropriate active play with social interactions with peers and teachers.

Toddlers build their vocabulary one or two words at a time by pointing to things and expressing needs. They also engage in prewriting and prereading by scribbling on paper and turning pages in books.

Group time happens every day in each of our classrooms. For toddlers, it's their time to come together as a community, talk about the day, and hear a read-aloud. We have fun interactive songs that we sing to help the children build great vocabulary.

Daycare registration runs continually throughout the year based on availability.

This program is an all day program that serves 2 snacks and lunch, breakfast is also optional served from 6:30-7:30 am. This is all included with your weekly tuition. We encourage the children to arrive no later than 9 am.

DAYCARE HOURS: 6:30 a.m. to 5:30 p.m.
