How you can help

Scholarship Program

You can make sure every child in Hampshire who wishes to take part in park district programs has an opportunity to do so. Park District staff administers the program that requires an application and submittal of current financial documentation.

In-Kind Donations

Individual and companies may support the foundation with in-kind contributions of professional skills such as landscaping and building trades, gifts of material for a capital improvement project, or designated giving. Examples of items that could be donated include: Picnic Table, Ball-field upgrades, Park Bench, Athletic equipment, Playground equipment, Landscaping.

Cash Giving

Individuals or companies that make donations to the foundation can be assured the money will go to a park or facility improvement. Donations may be earmarked for a specific program, i.e. Little People Playtime Pre-school. Other cash donations will go toward general current project needs. The Foundation Board receives a list of capital improvements needed from the park district board of commissioners and staff. The foundation board will then determine how the money is spent.

Projects

The Foundation Board has a variety of projects that are listed in the green box. If you wish to donate to these needed upgrades to our parks, contact [Laura Schraw, Executive Director, at laura@hampshireparkdistrict.org or Janet Roman, Community Outreach Coordinator, at jroman@hampshireparkdistrict.org]

Personal Satisfaction

Seeing the community share the benefits of fun

Save on your taxes. The Foundation is a 501(c)3 organization, and all donations are tax deductible as allowable by law.

The Foundation is structured to accept funding for either specific programs or general current project needs. As such, all residents can participate in foundation giving.
