April 9, 2026

Hello,

The Hampshire Township Park District is ready for an exciting summer of events! This summer we will host the annual community favorites while adding a new event to the schedule as well. Music under the Oaks has three dates this summer, the 43rd Annual Coon Creek Classic 2K/10K race and new this year, Kites over Hampshire- *a kite festival at Ream Park!*

Music under the Oaks draws in all ages of music lovers and we are thrilled to make this event into a summer concert series in 2026. Featuring local bands on June 18th and July 16th at the Seyller Park Amphitheater. The series will end on September 12th with special afternoon entertainment for Active Adults 55+. The events will be filled with good food, singing along and hopefully some dancing!

The Coon Creek Classic 2K/10K Race is held in conjunction with Coon Creek Country Days each year. The race is on Sunday morning, August 16th. The race begins and ends at the Hampshire Middle School. We welcome runners from all different areas and of all ages!

The new Kites over Hampshire will feature kite flyers from Chicago Kites and their beautiful eye catching kites! Attendees will have a chance to fly their kites during this event as well. We will have a food truck or two and we would love to add more activities to this event!

We hope that you find interest in supporting these local events that bring hundreds of people together through the summer months. Please take a moment to look over the next page of sponsorship opportunities. We look forward to working with you this summer and promoting your business at these events!

Thank You,

Stephanie Barone
Recreation Manager
Hampshire Township Park District
